QUALITY OF PANEL DOCTORS

To assure credibility, we check with New York State Department of Education as well as other state's professional regulatory entities on a regular basis to make sure there are no disciplinary actions against our panel doctors.

QUALITY OF REPORTS

An experience doctor spearheads our Quality Assurance Department. Reports are proofread and checked for accuracy and to make sure specific questions or requests are addressed in all IME, Peer Review and Radiological Review reports.

All doctors on our panel are board certified and have years of experience conducting IME and Peer reviews.

QUALITY OF SERVICES

We are a service oriented company that strives to meet all your requirements.

Our staff provides the highest of professional and personal service.

Our quick turnaround is due to our highly efficient panel of medical experts, customized data base, which enables us to schedule and track all requests with great accuracy.

Reports are processed quickly with high accuracy and submitted to the Claims Examiner.

Reports are scanned and archive in our database and can be quickly accessed for your convenience. We are a fully paperless operation.

NO CONFLICT OF INTEREST

Our Doctors are in private practice and are experienced in IME. Signed reports are submitted on their own stationery. They retain original notes and are available to testify at arbitrations and hearings at a very reasonable rate.
